4. OBJECTIONS RAISED

Objection 1: Inadequate Compensation

The objector contends that the prevailing circle rate of ₹85 lakh per hectare does not reflect actual market transactions in the area, which have been recorded at ₹1.1 crore per hectare in recent sales.

Objection 2: Livelihood Impact

The objector states that sugarcane cultivation on the land is the primary source of income for a family of 6 members and requests enhanced R&R benefits including employment guarantee.

Objection 3: Water Source

The bore well on the land serves not only the objector's farm but also provides water to 3 adjacent properties. The objector requests provision for alternative water supply arrangement.

5. RESPONSE BY REQUIRING BODY

Representative : Shri Nitin Bhosale, Land Officer, MSRDC

Response to Objection 1:

The compensation is computed strictly as per Section 26-28 of the Act and includes 100% solatium. Recent sale instances will be considered during final award computation.

Response to Objection 2:

Enhanced R&R entitlements under Schedule II are applicable. One

family member will be offered employment in the project as per Section 31(4).

Response to Objection 3:

MSRDC undertakes to construct a community bore well within 500m radius of the affected properties as a project obligation.

6. FINDINGS AND ORDER

After considering the objections and responses, the following order is passed:

1. Objection 1 (Compensation): PARTIALLY UPHELD
 - Recent sale data to be examined during Section 23 award
 - Collector to verify 3 comparable sale instances
2. Objection 2 (Livelihood): UPHELD
 - Enhanced R&R benefits to be included in award
 - Employment guarantee letter to be issued by MSRDC
3. Objection 3 (Water Source): UPHELD
 - MSRDC to construct community bore well before possession
 - Timeline: Within 45 days of award declaration

The overall acquisition is found to be necessary for public purpose and shall proceed subject to the above conditions.
